My Dream

I want to learn to fly,

To straighten my hands and cry loud,

I want to learn to fly,

Just to run from problems,

To a place where there is no lie,

So far no one will find me.

Without words.

I know the land of war,

I know the land of summer,

I know the first brings gold,

The second brings the power.

Now I learnt to fly,

I closed my eyes and did it,

I straightened my hands and cried loud.

I fly!

I do believe it!

Film Review

Planes, Trains and Automobiles (1987)

How annoying can one person be? How long can it take you to get home for Thanksgiving dinner?

Neal Page is trying to get home to his family for the holidays. What seems like a simple flight home to Chicago from New York turns into a nightmare from the moment he tries to hail a taxi.

He meets the annoying and unlucky Del Griffith and the two embark on an adventure to get home.

This movie is funny, clever and the characters are easy to identify with. It will have you laughing and cringing. I would definitely recommend this movie!

Riddle of the Month

I am a 6 letter word.

Letters 6-5-2 spell out a drink.

Letters 4-5-2-3 spell out a fruit.

Letters 1-2-6 spell out a pet.

Letters 3-2-6 spell out a pest, which often gets eaten by 1-2-6.

What am I?

It was my birthday morning. I was sitting at the window and looking out. I was thinking about the day which I would never forget. I wanted my birthday to be unusual.

When I was dreaming, suddenly someone knocked on the door. I opened. There was George standing with tickets in his hand and looking at me. He asked if I was ready to go to Germany.
